## ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION - The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Share Certificate, Jumbo Share Certificate, and IRA Share Certificate accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account. For 6 Month IRA Certificate accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate Schedule. During the term of your 39 Month Bump Rate Certificate account(s), you may increase the rate one time to the rate currently in effect for accounts of this type with the same term. The following additional limitations apply to the dividend rate paid on your 39 Month Bump Rate Certificate account(s): We will use the current 36 Month Term Share Certificate rate. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.
2. DIVIDEND PERIOD - For each account, the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.
3. DIVIDEND COMPOUNDING AND CREDITING The compounding and crediting frequency of dividends are stated in the Rate Schedule. For all accounts, at your option, you may choose to have dividends credited to your certificate account, paid to you by check or transferred to another account of yours. If you elect to have dividends paid to you by check or transferred to another account, compounding will not apply.
4. BALANCE INFORMATION - To open any account, you must deposit or already have on deposit the minimum required share(s) in a Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.
5. ACCRUAL OF DIVIDENDS - For all accounts dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For all accounts, if you close your account before accrued dividends are credited, accrued dividends will not be paid.
6. TRANSACTION LIMITATIONS - For all accounts, your ability to make deposits to your account and any limitations on such transactions are stated in the Rate Schedule. After your account is opened, you may make withdrawals subject to the early withdrawal penalties stated below.
7. MATURITY - Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.
8. EARLY WITHDRAWAL PENALTY - We may impose a penalty if you withdraw funds from your account before the maturity date.
a. Amount of Penalty. For 39 Month Bump Rate Certificate accounts, the amount of the early withdrawal penalty for your account is 365 days' dividends. For Share Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:
$\begin{array}{ll}\text { Terms of } 30 \text { Days } & 30 \text { days' dividends } \\ \text { Terms of } 60 \text { Days } & 60 \text { days' dividends }\end{array}$
Terms of 90 Days - 12 Month 90 days' dividends
Terms of 18-36 Month 180 days' dividends
Terms of 48-60 Month 365 days' dividends

For Jumbo Share Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

| Terms of 30 Days | 30 days' dividends |
| :--- | ---: |
| Terms of 60 Days | 60 days' dividends |
| Terms of 90 Days -6 Month | 90 days' dividends |
| Terms of 12 Month | 120 days' dividends |
| Terms of 18-24 Month | 180 days' dividends |
| Terms of $30-36$ Month | 240 days' dividends |
| Terms of 48-60 Month | 365 days' dividends | For IRA Share Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Terms of 6-12 Months
90 days' dividends
Terms of 18-30 Month
180 days' dividends
b. How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividends that have been on the account. The penalty will not exceed dividends earned up to the date of the early withdrawal
c. Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:
(i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
(ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age $591 / 2$ or becomes disabled.
9. RENEWAL POLICY - The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty.
10. NONTRANSFERABLE/NONNEGOTIABLE - Your account is nontransferable and nonnegotiable.
11. MEMBERSHIP - As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.
